Konstantin G. Palnikov

Text of CL:

We hereby inform that the Rules for the Classification and Construction of Small Sea Fishing Vessels have been amended as specified in the Appendices to the Circular.

It is necessary to do the following:

1. Bring the content of the Circular Letter to the notice of the RS surveyors, interested organizations and persons in the area of the RS Branch Offices' activity.
 2. Apply provisions of the Circular Letter during review and approval of the technical documentation on ships contracted for construction or conversion on or after 01.11.2022, in the absence of a contract, during review and approval of the technical documentation on ships requested for review on or after 01.11.2022.
